

Alexis Dodson recently joined Foster + Freeman USA this year as a Technical Sales Specialist. She received her Bachelor of Science degree in Forensic and Investigative Science with a minor in Psychology at West Virginia University. She received formal certificates from West Virginia University including a 40-Hour Basic Bloodstain Pattern Analysis Course and 40-Hours of Science & Technology of Fingerprinting. Her role at Foster + Freeman includes sales for various company products. She is looking forward to spreading the knowledge on Foster + Freeman's innovative products while making new connections.
